BERT LYONS returns to his ranch to find his former foreman dead and the place leased to a real estate shark. The new crowd in charge of ranch are trafficking in booze and narcotics under guise of raising cattle. Bert goes to see his old sweetheart, Mollie Grainger, who tells him of her suspicions of the new lessees of the ranch. The smugglers do not relish Lyons's curiosity and plan to "get" him. Meanwhile the new boss of the ranch has designs upon Mollie and attempts to abduct her by telling her that if she will accompany him across the border he will save her brother, who is in prison charged with murder. Bert learns of the ruse, tricks the smugglers who are plotting his death, and rides to Mollie's rescue. The smugglers are rounded up, Mollie's brother is freed when the real murderer is found, and Mollie and Bert make plans for their own little home in the West.
